### *Finality of the May 19, 2005 Office action*

Applicant notes that the Office Action Summary and Public Pair system indicate the May 19, 2005 Office action as non-final. However, paragraph 5 of the May 19, 2005 Office action indicates the action as final. Applicant believes the action is non-final and requests confirmation of same.

Claim 58 depended directly from Claim 1. Claim 1 has been amended to incorporate the subject matter of Claim 58. More particularly, Claim 1 has been amended, without prejudice, to recite:

A method for processing account information contained in batch process files in an on-line like manner, said method comprising the steps of:
